

Panarea

The New Benelli Panarea is an urban scooter that demonstrates the kind of two-wheeled perfection that can be achieved by placing the beating heart of a Benelli engine with 100% Italian-designed Chassis. The new version incorporates a series of technological and design improvements that are unique in its category while maintaining an affordable price.

Front LED Lights

Brighter, longer lasting LED headlights create optimal rider visibility during day or night.

Ignition Key Switch

The combination ignition key switch, seat lock and key slot security shutter door to keep your scooter safe.

Large & Comfortable seat

Large under seat storage compartment.

Rear Passenger

Handle with a comfortable and stylish surface.

Front Wheel 100/90-12

12" aluminum wheels add a sleek touch to its impressive retro style. Accompanied with Profile 90 tires, special for the city rides. 190mm Disc Brake

Rear Wheel 110/90-12

12" aluminum wheels add a sleek touch to its impressive retro style. Accompanied with Profile 90 tires, special for the city rides. 130mm drum brake.

Noble and Powerful Engine

An advanced 4-stroke, air-cooled 124cc single cylinder, it's slim and power-revealing. CVT Automatic Gear Shift Type offers drivers a smooth and flexible ride for every city situation.
